

**ITB No. ITB 011-16/DZ**

**Title:** Hawthorne Park Improvements

**Bid Opening Date:** April 14, 2016 at 2:00pm

**Addendum Date:** April 6, 2016

**ADDENDUM NO. ONE**

**PURPOSE:** The purpose of this Addendum/NOTICE is to make changes, additions, deletions, revisions, and clarifications to the (ITB) Invitation to Bid documents for the Hawthorne Park Improvements. Bidder shall review the Addendum/NOTICE work and requirements in detail and incorporate any effects the Addendum/NOTICE may have in their proposal price.

1) **Question: The plans (sheet 3 of 8) indicate a tree to be removed at the northeast corner of the property. There is an existing Fire Hydrant in close proximity to the tree. Can the removal consist of cutting down the tree and grinding the stump to just below grade level? A total removal of the existing tree root system would most likely interfere with the Fire Hydrant water service line and associated water main line resulting in additional demolition/removal expense to the bid pricing.**

Response: Yes, said tree may be ground down in lieu of complete removal.

2) **Question: Will a 6" thick reinforced concrete slab be acceptable for the half-court basketball?**

Response: A concrete basketball base slab will not be acceptable. Install asphalt base per plans.

3) **Question: I realize that there isn't an irrigation sheet/detail. Should we include a price for irrigation in our base bid?**

Response: Irrigation will not be required. However, the contractor must water all sod and plants after they have been installed for a period of five days per week for the first two weeks and three days per week for the following two weeks.

4) **Question: What is the estimate for this project?**

Response: \$84,000

**ACKNOWLEDGEMENT:** Bidder must acknowledge receipt of any and all Addenda in the space provided on the Bidder Submittal Form. Failure to do so may result in rejection of the Proposal. All requirements of the proposal documents remain unchanged except as cited herein.
