	PEDESTAL - INTERACTIVE
	The CB 1-s is the original Code Blue pedestal unit and
	sets the industry standard for rugged construction, full feature availability and high visibility. The CB 1-s is easily recognized throughout a full 360-degree area. The user
	friendly lighted faceplate and the integral area light ensures rapid location in an open environment. The high output strobe is easily identifiable by security when
	activated. The exclusive analog InterAct and VoIP speakerphones
0 E	are designed for maximum reliability, vandal resistance, auxiliary functions, mass notification control, and fault monitoring and reporting capability.
mergency	The CB 1-s is an excellent choice for walkways, parks, college and commercial campus areas, open landscape
Q	areas and anywhere a freestanding pedestal unit is required.
