in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

SECTION 3
SUBRECIPIENT REQUIREMENTS

PURPOSE

The purpose of Section 3 of the Housing and Urban Development Act of 1968, as amended, is to ensure that employment and other economic opportunities generated through the use of federal funds (CDBG) shall, to the greatest extent feasible, and consistent with existing federal, state, and local laws and regulations, be directed to low-and very-low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low-and very-low-income persons.

APPLICABILITY/COVERED PROJECTS

Section 3 applies to training, employment, contracting, and other economic opportunities arising in connection with expenditure of CDBG funds. Covered projects that are funded in part or in whole with CDBG funds include contracts, subcontracts, and professional service agreements, awarded for:

- 1) construction, reconstruction, conversion, or rehabilitation of housing (including reduction and abatement of lead-based paint hazards).
- 2) public construction which includes buildings or improvements regardless of ownership.

The above includes management and administrative jobs including architectural, engineering or related professional services required to prepare plans, drawings, specifications, or work write-ups, and jobs directly related to administrative support of these activities, e.g. construction manager, relocation specialist, payroll clerk, etc.

Exclusions from the above are:

- 1) contracts awarded under HUD's procurement program which are governed by the Federal Acquisition Regulation System (48 CFR, Chapter 1).
- 2) contracts for the purchase of supplies and materials. However, whenever a contract for materials (or equipment) includes the installation, the contract constitutes a Section 3 covered project, and is consequently not excluded.

DEFINITIONS

A. SUBRECIPIENT:

For the purposes of Section 3, a subrecipient is any entity which receives CDBG funds from Palm Beach County Department of Housing and Community Development (HCD) for Section 3 covered projects including, but not limited to, any State, unit of local government, public housing authority, or other public body, public or private nonprofit organization, private agency or institution, developer, builder, property manager, and community housing development organization.

B. SECTION 3:

Means Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C.1701u) (24CFR Part 135).

C. SECTION 3 RESIDENT:

Means:

- 1) a resident of public housing (24 CFR Part 963), or
- 2) a resident of Palm Beach County whose household income, by household size, is at or below 80% of the median income for Palm Beach County.

(Note: Information on income limits at 80% of median income for Palm Beach County, by household size, is available through HCD and provided in the accompanying chart. As this information is periodically revised by HUD, subrecipients shall assure that they have current information for use on their projects).

D. SECTION 3 BUSINESS CONCERN:

Means any entity which contracts to perform work generated by the expenditure of CDBG funds, which is a business entity formed in accordance with state law, and which is licensed under state, county, or municipal law to engage in the type of business activity for which it was formed. A Section 3 Business Concern is further defined as a business concern:

- 1) that is 51% or more owned by Section 3 Residents, or
- 2) whose permanent full-time employees include persons, at least 30% of whom are currently Section 3 Residents, or who, within three years of the date of first employment with the business concern, were Section 3 Residents, or
- 3) that provides evidence of a commitment to subcontract in excess of 25% of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications set forth in the above two definitions.

E. NEW HIRES:

Means full-time employees for permanent, temporary or seasonal employment opportunities.

SUBRECIPIENT OBLIGATIONS

A. DISCLOSURE OF APPLICABILITY:

Subrecipients shall in every bid solicitation for every Section 3 covered project disclose to bidders the applicability of Section 3 to any such project and include the Section 3 clause shown below in its entirety in any such bid solicitation. Subrecipients may include further information on Section 3 in the bid solicitation documents, or indicate in such documents that Section 3 information is available at the Subrecipient offices for review by any bidder.

B. SECTION 3 CLAUSE IN EVERY CONTRACT:

Every contract awarded by Subrecipients for a Section 3 covered project shall include the following Section 3 clause in its entirety:

Section 3 Clause:

- 1) The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall to the greatest extent feasible, be directed to low-and very-low income persons, particularly persons who are recipients of HUD assistance for housing.
- 2) The parties to this contract agree to comply with HUD's requirements in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- 3) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers representative of the contractor's commitment under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- 4) The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in the Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- 5) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.
- 6) Noncompliance with HUD'S regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

C. SUBRECIPIENT GOALS:

Subrecipients may demonstrate compliance with the "greatest extent feasible" requirement of Section 3 by meeting the numerical goals set forth for providing training, employment, and contracting opportunities to Section 3 Residents and Section Business Concerns. The numerical goals established below represent minimum numerical targets.

- 1) **Training and Employment.** Subrecipients and their contractors and subcontractors may demonstrate compliance with this requirement by committing to employ Section 3 Residents amounting to 30% of the aggregate number of new hires generated by Section 3 covered Projects.

- 2) Contracts. The numerical goals set forth below apply to contracts awarded in connection with all Section 3 covered activities. Subrecipients and their contractors and subcontractors may demonstrate compliance with the below requirements by committing to award to Section 3 Business Concerns:
 - At least 10% of the total dollar amount of all Section 3 covered contracts for building trades work for maintenance, repair, modernization or development of public housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and
 - At least 3% of the total dollar amount of all other Section 3 covered contracts.

In the absence of evidence to the contrary, a subrecipient that meets the minimum numerical goals set forth above will be considered to have complied with the Section 3 preference requirements. In evaluating compliance, a subrecipient that has not met the numerical goals set forth above has the burden of demonstrating why it was not feasible to meet these numerical goals. Such justification may include impediments encountered despite actions taken. A subrecipient may also indicate other economic opportunities, such as those listed below, which were provided in its efforts to comply with Section 3 and the requirements listed below.

D. SUBRECIPIENT RESPONSIBILITIES:

Each subrecipient has the responsibility to comply with Section 3 in its own operations, and ensure compliance in the operations of its contractors and subcontractors. This responsibility includes but may not be necessarily limited to:

- 1) Implementing procedures designed to notify Section 3 Residents about training and employment opportunities generated by Section 3 Business Concerns about contracting opportunities generated by Section 3 covered assistance;
- 2) Notifying potential contractors for Section 3 covered projects of the requirements of this part, and incorporating the Section 3 clause set forth above in all solicitations and contracts.
- 3) Facilitating the training and employment of Section 3 Residents and the award of contracts to Section 3 Business Concerns by undertaking activities such as described in the Appendix to this document, as appropriate, to reach the goals set forth above. Subrecipients, at their own discretion, may establish reasonable numerical goals for the training and employment of Section 3 Residents and contract award to Section 3 Business Concerns that exceed those specified above.
- 4) Assisting and actively cooperating with the Assistant Secretary of HUD in obtaining the compliance of contractors and subcontractors with the requirements of Section 3, and refraining from entering into any contract with any contractor where the recipient has notice or knowledge that the contractor has been found in violation of the regulations in 24 CFR Part 135.
- 5) Documenting actions taken to comply with the requirements set forth in this document, the results of actions taken, and impediments, if any.

E. PREFERENCE FOR SECTION 3 RESIDENTS:

Subrecipients, contractors and subcontractors shall direct their efforts to provide, to the greatest extent feasible, training and employment opportunities generated from the expenditure of Section 3 covered assistance to Section 3 Residents in the order of priority provided below.

Priority consideration shall be given, where feasible to:

- 1) Section 3 Residents residing in the service area or neighborhood in which the Section covered project is located (collectively, referred to as category 1 residents); and
- 2) Participants in HUD Youthbuild programs (category 2 residents).
- 3) Where the Section 3 project is assisted under The Stewart B. McKenney Homeless Assistance Act (42 U.S.C. 11301 et seq.), homeless persons residing in the service area or neighborhood in which the Section 3 covered project is located shall be given the highest priority;
- 4) Other Section 3 Residents.

Subrecipients may at their own discretion, provide priority to recipients of government assistance for housing, including recipients of certificates or vouchers under the Section 8 housing assistance program, within the service area or neighborhood where the Section 3 covered project is located.

A Section 3 Resident seeking the preference in training and employment described above shall certify, or submit evidence to the recipient contractor or subcontractor, if requested, that the person is a Section 3 Resident, as defined above.

Nothing in the above shall be construed to require the employment of a Section 3 Resident who does not meet the qualifications of the position to be filled.

E. PREFERENCE FOR SECTION 3 BUSINESS CONCERNS:

Subrecipients, contractors and subcontractors shall direct their efforts to award Section 3 covered contracts, to the greatest extent feasible, to Section 3 Business Concerns in the order of priority provided below.

Priority consideration shall be given, when feasible, to:

- 1) Section 3 Business Concerns that provide economic opportunities for Section 3 Residents in the service area or neighborhood in which the Section 3 covered project is located (category 1 business);and
- 2) Applicants (as this term is defined in 42 U.S.C. 12899) selected to carry out HUD Youthbuild programs (category 2 businesses);
- 3) Other Section 3 Business Concerns.

A business concern seeking to qualify for a Section 3 contracting preference shall certify or submit evidence, if requested that the business concern is a Section 3 Business Concern as defined above. A Section 3 Business Concern seeking a contract or subcontract shall submit evidence to the Subrecipient, contractor, or subcontractor (as applicable), if requested, sufficient to demonstrate to the satisfaction of the party awarding the contract that the business concern is responsible and has the ability to perform successfully under the terms and conditions of the proposed contract. (The ability to reform successfully under the terms and conditions of the proposed contract is required of all contractors and subcontractors subject to the procurement standards of 24 CFR 85.36 (see 24 CFR 85.36(b)(8)).) This regulation requires consideration of, among other factors, the potential contractor's record in complying with public policy requirements. Section 3 compliance is a matter properly considered as part of this determination.

PROVIDING OTHER ECONOMIC OPPORTUNITIES

In accordance with the findings of the Congress, as stated in Section 3, that other economic opportunities offer an effective means of empowering low-income persons, a subrecipient is encouraged to undertake efforts to provide to low-income persons economic opportunities other than training, employment, and contract awards in connection with Section 3 covered assistance.

- 1) Other economic opportunities to train and employ Section 3 Residents include, but need not be limited to, use of "upward mobility", "bridge" and trainee positions to fill vacancies; Section 3 Residents in management and maintenance positions within other housing developments; and hiring Section 3 Residents in part-time positions.
- 2) A subrecipient or contractor may provide economic opportunities to establish, stabilize or expand Section 3 Business Concerns, including micro-enterprises. Such opportunities include, but are not limited to the formation of Section 3 joint ventures, financial support for affiliating with franchise development, use of labor only contracts for building trades, purchase of supplies and materials from housing authority resident-owned businesses, purchase of materials and supplies from PHA resident-owned business and use of procedures in 24 CFR part 963 regarding HA contracts to HA resident-owned businesses. A subrecipient contractor may employ these methods directly or may provide incentives to Non-Section 3 Businesses to utilize such methods to provide other economic opportunities to low-income persons.

A Section 3 joint venture means an association of business concerns, one of which qualifies as a Section 3 Business Concern, formed by written joint venture agreement to engage in and carry out a specific business venture for which purpose the business concerns combine their efforts, resources, and skills for joint profit, but not necessarily on a continuing or permanent basis for conducting business generally, and for which the Section 3 Business Concern:

- 1) Is responsible for a clearly defined portion of the work to be performed and holds management responsibilities in the joint venture; and
- 2) Performs at least 25 percent of the work and is contractually entitled to compensation proportionate to its work.

REPORTING REQUIREMENTS

Subrecipients shall submit the enclosed Section 3 Subrecipient Report for each contract or agreement funded in part or in whole through HCD. Said report shall accompany the final reimbursement request submitted by the subrecipient for each such contract or agreement. Furthermore, for each covered project, the subrecipient shall also submit a letter with the report that is submitted for the final reimbursement request of the last contract or agreement being funded for the project through HCD. The letter shall indicate what goals have been met by the subrecipient as required herein, and if not entirely met, the letter should demonstrate why it was not feasible to meet these goals, document actions taken to comply, the results of actions taken, and impediments, if any.

For example, a subrecipient is being funded for a certain project by HCD. The project includes an agreement with a consultant for services and a construction contract with a contractor. The consultant's work is completed first. The subrecipient would submit the above mentioned report for the consultant's agreement with the consultant's final reimbursement request. Then, when the construction contract is completed, the subrecipient would submit the report for the construction contract with the stated letter.

COMPLAINTS

Complaints alleging noncompliance with Section 3 (24 CFR Part 135) may be filed with the Assistant Secretary of HUD, for Fair Housing and Equal Opportunity by any Section 3 Resident on behalf of himself or herself, or as a representative of persons similarly situated, seeking employment, training or other economic opportunities generated from Section 3 covered projects, or by a representative who is not a Section 3 Resident but who represents one or more Section 3 residents. Similarly complaints may be filed by any Section 3 Business Concern on behalf of itself, or as a representative of other Section 3 Business Concerns similarly situated, seeking contract opportunities generated from Section 3 covered projects, or by an individual representative of Section 3 Business Concerns. Where to file, time of filing, content of complaints, and other related matters are contained in the regulations et 24 CFR Part 135.

No subrecipient or other person shall intimidate, threaten, coerce, or discriminate against any person or business because the person or business has made a complaint, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under the Section 3 regulations. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of the Section 3 regulations, including the conduct of any investigation, hearing or judicial proceeding arising thereunder. Nothing herein precludes a Section 3 Resident or Section 3 Business Concern from exercising the right, which may otherwise be available, to seek redress directly through judicial procedures.
